

Park Lane East
Tipton, West Midlands DY4 8RF
United Kingdom

Phone: 01215222353

If you're manufacturing in the Tipton area of the West Midlands, then look no further than RCF Bolt & Nut Co Ltd for your industrial fasteners and Nuts and Bolts. Our specialist team are able to produce whatever size of bolt and nut you might need for your construction or engineering project, so if you require a non-standard size of bolt, then we can produce them for you. We are proud to be a UK-based company specialising in a traditional industry, and we offer a fast turnaround on all fabrication jobs, big or small, so you can get your project completed on time.
