Monster Junk is a family-run rubbish removal business. Our Head Office is in Crewe, Cheshire and, we partner with a national network of trusted local waste businesses to offer cost-effective rubbish removal services across the UK. We clear almost anything from almost anywhere, on the same day or a day of your choice. Man and van collections, skip bags, total waste management. We do it all with convenient and cost-effective solutions for your rubbish problems. As an Environment Agency Registered Waste Carrier, we guarantee that your rubbish will always be responsibly disposed of. With over 97% of the waste we collect diverted from landfill, you can be confident that your rubbish problem doesn't become someone else's problem.
