Reimagine Psychology Melbourne

Phone: (03) 8330 5588

We're a team of experienced, qualified and compassionate psychologists based in West Melbourne, offering both in-person and online telehealth therapy sessions. Our clinicians have expertise in a wide range of concerns, including ADHD, anxiety, depression, burnout, chronic pain, grief, PTSD, stress, trauma and more. At the heart of our practice is a commitment to making mental health care approachable, evidence-based, and respectful regardless of backgrounds. We offer one-on-one therapy and counselling services, as well as psychological assessments tailored to your unique needs. As registered psychologists at Reimagine Psychology Melbourne, we are dedicated to creating a safe, empowering and inclusive space for every
