

My Handyman Services

Sydenham Hill
London, Greater London SE23 3PJ
United Kingdom

Phone: 020 3404 5950

The main goal of the company is to provide quality construction, repair and installation services for your home and office in London. My Handyman Services works with a team of professionally trained and experienced handymen, able to carry out large and small projects. We are specialised in:

- plumbing services including major and small repairs and installations, leak detection, drain unblocking, toilet repairs, boiler services, gas certificates, heating services etc.
- electrical services including lighting design and installation, faulty checks, fuse boxes replacements and many more electrical repairs and installations. All services will be carried out by qualified and certified electricians.

- painting and decorating including interior painting, plastering, paint stripping, antibacterial painting etc
- furniture delivery and assembly.
- carpentry services - the experienced carpenters can help with kitchen fitting, bespoke furniture, wood wall panelling etc.
- home refurbishment including kitchen and bathroom refurbishment, garage, loft, basement conversion.
- Flooring - a variety of flooring services including wood floor installation, tiling etc.
- Odd Jobs including TV mounting and installation, curtains and blinds fitting, picture and mirror hanging, shelves installation, shower screen fitting, ceiling fan installation, cat flaps fitting etc.

As the customer is the most important, we fully comply with your needs:

- When you have an urgent need for a handyman; When you want quality work at reasonable prices; When want to quickly start and complete your renovation or repair tasks.

The combination of professional equipment and long experience of the technicians is a guarantee that the service you book will be carried out quickly and efficiently. You can count on us 7 days a week, including official holidays. Call our friendly representatives 24/7 for more information and bookings.
