Visit our eshop and enjoy the extraordinary and outstanding magic of each rug and kilim in our carpet-world. Visit Us <https://www.carpetu2.co.uk> Handmade carpets e-shop -

CarpetU2

The Online shop of handmade carpets CarpetU2 is the new creation of the Taba Tabae company, who has its headquarters in Thessaloniki, Greece. It has been dealing with the wholesale and retail trade of handmade Oriental carpets in Europe since 1990. The enormous variety of carpets in our collection, their quality and authenticity are something new in the European Online market. Our incomparable price-performance ratio (value for money) that we can offer you, has led to a constantly increasing interest of our clients not only in Europe but all over the

world. For this reason we have founded our Online-shop CarpetU2. With the guarantee of the Taba Tabaee company and the stable quality of our products and services, we now offer you the opportunity to purchase handmade carpets from all over the world. Our Online shop guarantees you a fast, easy and above all a purchase without any risk. One of our main principles is to build a longterm trusting relationship with our customers. Therefore, we constantly try to provide the best possible quality services. Our experienced and highly trained staff is always at your disposal for all your questions. With the help of the company's director and appraiser Mr. Taba Tabaee and our expert designers, we are able to give you all the information you need to equip your home. And just as important, we can be excellently reached by telephone and e-mails shall be answered by us as soon as possible even during the weekend. Click here to read also reviews and comments from other customers. Finally, we present our carpets with the help of professional and realistic representations, so that you can easily get an idea how the carpet will look in your home. Our carpets are all accompanied by a certificate of authenticity signed by Yazdan Taba Tabaee, former appraiser of carpets at the Iran's Carpet Museum in Teheran.
