Wayne Walker Property Consultants is an established UK and International estate agent. Founded on the ideals of professionalism and honesty, we aim to help investors maximize their returns and gain a foothold in the UK and overseas property market. Having adapted to the needs of investors within the industry, we now accommodate for any clients, regardless of the size, location or the nature of the investment. Covering residential, commercial, UK and overseas; this vast coverage enables us to offer more than 15,000 properties in over 40 different countries. Our clients benefit from our exceptional services and attitude to the market. All our rates are transparent and honest, with no hidden costs.
