ABOUT US Business Management Specialists & Consultants MannIn Consultancy is the brainchild of its founder Rob Edmanson-Harrison. The concept is to utilise decades worth of accumulated knowledge both by the founder and his ever-increasing network of business professionals around the world. In essence it is a "Business Hub", which allows you the Visitor/Customer to come here seeking answers to a wide range of questions on a variety of subjects not least of which are: Business Finance Procurement for investment purposes Design Online branding Business Reputation & Risk Project Management Business & Data Analysis and much more... Our website is more than just a website... it is your very own information portal, inside which you discover our cradle to grave service offerings and via our partners, business networks and links, then be linked to the best minds, most skilled and experienced people available in a wide variety of industries. We will use our contact to ensure that, your business needs are met and purchased at the most competitive rates possible. Rob does not claim to know everything, but what he is unable to assist you with, one of his 8,000+ LinkedIn connections, his 35,000+ Twitter connections or members of his 120,000+ strong Art Group will most certainly be able to assist with an answer.
