Davie, FL 33324
USA

Phone: (954) 945-8663

"R & J Plumbing and Backflow services have been recognized as a South Florida leader in the industry for over two decades. Our company's number one focus is to make sure your plumbing service is completed efficiently, quickly, and accurately. Our plumbers are trained in the latest technologies in the industry. Specializing in Commercial & Residential Plumbing projects, we work with a wide variety of homes and businesses. No matter your needs- you're bound to need a good plumber. That's where we come in! Once we receive a call, our plumbers will arrive, assess the situation, give you an estimate and suggest the best way to solve the problem. R&J Plumbing and Backflow services are a family owned commercial and residential company that has been in business for over 25 years. We make sure our number one priority is you and the service we provide for you. We take pride in our quality service and hope to exceed your expectations. Call us today!"
