## **Timber Cladding Specialists**

Phone: 2086844546

Timber Cladding Specialists supply and install premium timber cladding across the UK, including Siberian Larch, ThermoWood, and fire rated cladding options. We offer durable, factory-finished boards in profiles such as Shiplap, Shadow Gap, and Loglap cladding, ideal for residential and commercial projects. Our products meet Euroclass B-s1,d0 fire rating standards and are precision-milled for long-lasting performance.
